DESCRIPTION

Clean, sweet cereal aromas. Slightly more body than our 2-row Pale Malt. It is one of our proudest products.

NOTES

Premium base malt particularly recommended for brewing light-colored beers such as lagers, Kölsches, and pilsners.

SUBSTITUTIONS

An advantageous replacement for North American or European Pilsner malts.

APPLICATIONS

Produces well-balanced beers with a slightly richer texture while maintaining excellent drinkability. Ideal for modern pilsners, craft lagers, light IPAs, and hybrid recipes requiring a more structured malt base.
